Study Rationale	<input type="checkbox"/> Provides an introduction and background that is irrelevant to the research.	<input type="checkbox"/> Provides an introduction and background that is only somewhat relevant to the research.	<input type="checkbox"/> Provides clear and thorough introduction, specific aims, and background.	
	<input type="checkbox"/> Presents rationale of proposed research in the form of a weak, unstructured argument.	<input type="checkbox"/> Shows some effort to present the rationale of proposed research in the form of a well-structured argument.	<input type="checkbox"/> Presents rationale of proposed research in the form of a well-structured, logical argument.	
	<input type="checkbox"/> Does not use data and/or literature relevant to the proposed research.	<input type="checkbox"/> Uses limited number of sources of data and/or literature relevant to the proposed research.	<input type="checkbox"/> Uses a broad range of data and/or literature relevant to the proposed research.	
	<input type="checkbox"/> States vaguely worded and/or untestable research question(s).	<input type="checkbox"/> States one or more clearly worded research questions, but not all are testable.	<input type="checkbox"/> States specific, testable research question(s).	
	Needs Improvement (3 pts)	Adequate (6 pts)	Exemplary (10 pts)	Points Awarded
Methods	<input type="checkbox"/> Methods do not address the research question as described.	<input type="checkbox"/> Methods address the research question as described.	<input type="checkbox"/> Methods are novel and address the research question as described.	
	<input type="checkbox"/> Study context is not described (i.e., setting, relevant programmatic details, target group/subgroup, etc.).	<input type="checkbox"/> Study context is partially described (i.e., setting, relevant programmatic details, target group/subgroup, etc.).	<input type="checkbox"/> Study context is robustly described (i.e., setting, relevant programmatic details, target group/subgroup, etc.).	
	<input type="checkbox"/> Explanation of study implementation is not provided (e.g., basic study design, key variables, measurement instruments, statistical approaches).	<input type="checkbox"/> Explanation of study implementation is only partially provided (e.g., basic study design, key variables, measurement instruments, statistical approaches).	<input type="checkbox"/> Explanation of study implementation is fully provided and offers detail in support of replication by others (e.g., basic study design, key variables, measurement instruments, statistical approaches).	
	Needs Improvement (1 pt)	Adequate (2 pts)	Exemplary (3 pts)	Points Awarded
Significance	<input type="checkbox"/> Potential implications for future research/practice are addressed poorly or not at all.	<input type="checkbox"/> Potential implications for future research/practice are adequately addressed.	<input type="checkbox"/> Potential implications for future research/practice are robustly described in alignment with the study rationale.	
	<input type="checkbox"/> The potential significance of the project and/or benefit to others does not justify the proposed budget.	<input type="checkbox"/> The potential significance of the project and/or benefit to others justifies only a portion of the proposed budget.	<input type="checkbox"/> The potential significance of the project and benefit to others fully justifies the proposed budget.	
	<input type="checkbox"/> No evidence of plans to disseminate knowledge.	<input type="checkbox"/> Provides limited plans to disseminate knowledge.	<input type="checkbox"/> Provides clear plans to disseminate knowledge.	

	<input type="checkbox"/> Plans for project sustainability are not presented.	<input type="checkbox"/> Limited plans for project sustainability are presented.	<input type="checkbox"/> Fully elaborated plans for project sustainability are presented.	
			Exemplary (3 pts)	
Genesis of Project Idea (MRG only)			<input type="checkbox"/> Student conceived of research idea through own efforts and then approached ICOM faculty for guidance.
